

Public Information Meeting - Auburn Bridge Replacement US20 Washington over I-395

What is happening?

The purpose of this meeting is to provide the public with the opportunity to become fully acquainted with the proposed bridge replacement, A-17-038, on Washington Street (US20) over I-395 project. The proposed project consists of a full bridge replacement to meet current standards, increase the vertical clearance over I-395, and provide a structure with a 75+ year useful life.

How will this affect you?

The purpose of this project is to improve public safety by replacing the bridge with one that meets today's standards.
