

Beverly - Temporary Bridge Street Bridge (Hall-Whitaker) Pre-Construction Public Information Meeting

What is happening?

The purpose of this meeting is to provide the public with the opportunity to become acquainted with the upcoming temporary bridge construction as a part of the Bridge Street Bridge (Hall-Whitaker) replacement. Information on the permanent bridge design, as well as updates to the replacement of the adjacent Kernwood Avenue Bridge (Beverly-Salem) will be presented.

How will this affect you?

An in-person public information meeting will be hosted at the location below to present the project to construct the temporary bridge. All views and comments submitted in response to the meeting will be reviewed and considered to the maximum extent possible. Interpretation will be available upon request.
