

# PUBLIC INFORMATION MEETING

## Cape Cod Bridges Program

### What is happening?

Two live, identical virtual public information meetings will be hosted on Zoom to provide updates on the Cape Cod Bridges Program. MassDOT will present on the status of the Program, bridge types for consideration, and next steps. There will be an opportunity for public comments and questions following the formal presentation. Public input will be reviewed and considered to the maximum extent possible.

### How will this affect you?

The Program proposes the replacement of the Bourne and Sagamore bridges and improvements to the approach roadway networks to address the structural and multimodal deficiencies within the Cape Cod Canal area.
