

Powder Point Bridge Replacement Project Public Meeting and Listening Session

What is happening?

The purpose of this meeting is for the MassDOT project team to engage with the community and gather feedback on the bridge design. Community members will have the opportunity to participate in group discussions and share input following a short presentation. All views and comments made at the meeting will be reviewed and considered to the maximum extent possible.

How will this affect you?

The proposed project consists of designing a replacement bridge that meets current design standards. MassDOT is hosting this meeting to gather feedback from the community to be incorporated into the bridge's design.
