

Safe Routes to School (SRTS) Project at the Memorial Middle School (Fitchburg) Virtual Public Information Meeting

What is happening?

The purpose of this meeting is to provide the public with the opportunity to become fully acquainted with the proposed Safe Route to School Project at the Memorial Middle School. Public comment and concerns are being solicited and will be reviewed and considered to the maximum extent possible.

How will this affect you?

The project consists of pedestrian and bicycle improvements to the streets abutting the Memorial Middle School. Rollstone Street and Causeway Street are two of the main routes for students in the neighborhoods to the northwest and northeast to get to and from school. Work will include the construction of shared use paths on the east side of Causeway Street and the west side of Rollstone Street with improvements to crosswalks, sidewalks, pedestrian ramps, and minor curb adjustments.
