

Log Plain Road West Deck Replacement Public Information Meeting Greenfield, MA

What is happening?

A Live Virtual Public Information Meeting will be hosted on the MassDOT website below to present the design and safety improvements for the Log Plain Road West bridge and the adjacent, four-way intersection of Severance Street, Newell Pond Road, Log Plain Road, and Log Plain Road West in Greenfield, MA.

How will this affect you?

The proposed project consists of replacing the existing bridge deck and roadway surface, sidewalk, bridge railings, and approach guardrails at each end. This will preserve the longevity of the bridge and improve safety conditions for pedestrians and vehicles. The proposed design will include a wider ADA compliant sidewalk with pedestrian curb ramps, ADA compliant and crash tested railing systems with protective fencing on each side of the bridge, bridge pavement overlay with approach roadway reconstruction, relocated overhead wires, and intersection improvements.

When

October 30, 2025
6:30PM to 7:30PM

Attend

www.mass.gov/orgs/highway-division/events

Visit www.mass.gov/orgs/highway-division/events for more information or to view a recording of the presentation if you are unable to attend the meeting.

To ensure its meetings are accessible, MassDOT reasonably provides: translation, interpretation, modifications, accommodations, alternative formats, and auxiliary aids and services. To request such services, please contact MassDOT's Chief Diversity and Civil Rights Officer at 857-368-8580 or MassDOT.CivilRights@dot.state.ma.us. For adequate time to process such request, please make them as early as possible, ideally 10 days prior to the event.

Project inquiries may also be emailed to MassDOTProjectManagement@dot.state.ma.us. Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: PROJECT MANAGEMENT, PROJECT FILE NO. [613295]**
