

Haverhill-Methuen I-495 and Industrial Ave Bridge Replacements Public Information Meeting

What is Happening?

MassDOT will host a public meeting to provide the public with an opportunity to become fully acquainted with the proposed replacements of I-495 NB and SB Bridges over the Merrimack River, as well as Industrial Avenue Bridge over I-495 in Haverhill-Methuen. After a presentation by the project team, meeting attendees will have the opportunity to ask questions and offer comments. All views and comments submitted in response to the meeting will be reviewed and considered to the maximum extent possible.

How will this affect you?

The proposed project includes the full replacement of bridges along with work on the sections of roadway approaching each structure. Adjoining sections of Route 110 (Merrimack Street) will also be repaved as part of the work. The project will improve safety for motorists and reduce impacts from maintenance operations. Initial construction began in September 2025. Staged construction will be used to minimize traffic impacts.

When

Thursday November 13, 2025
6:00 PM

Where

Haverhill City Hall
4 Summer St, Haverhill, MA 01830

Visit <https://www.mass.gov/haverhill-methuen-bridge-replacements> for more information or to view a recording of the presentation if you are unable to attend the meeting.

To ensure its meetings are accessible, MassDOT reasonably provides: translation, interpretation, modifications, accommodations, alternative formats, and auxiliary aids and services. To request such services, please contact MassDOT's Chief Diversity and Civil Rights Officer at 857-368-8580 or MassDOT.CivilRights@dot.state.ma.us. For adequate time to process such request, please make them as early as possible, ideally 10 days prior to the event.

Project inquiries may also be emailed to DOTHighwayDesign@dot.state.ma.us. Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: MAJOR PROJECTS, PROJECT FILE NO. 609466.**
