

WELLINGTON GREENWAY

LIVE VIRTUAL DESIGN PUBLIC HEARING

Wellington Greenway Construction (Phase IV)

Medford, MA

What is happening?

A Live Virtual Design Public Hearing will be hosted on the MassDOT website below to present the design for a shared use path known as the Wellington Greenway. This proposed Path will connect the existing shared use paths, one at Wellington Station to the south and one at Revere Beach Parkway to the north, creating one seamless path. The purpose of this hearing is to provide the public with opportunity to become fully acquainted with the proposed project. All views and comments submitted in response to the hearing will be reviewed and considered to the maximum extent possible.

How will this affect you?

The intent of this project is to provide one seamless 10-foot-wide shared use path along the Malden River, increasing the existing bicycle and pedestrian networks which will provide better transit access and foster community enjoyment of the Malden River Waterfront.

When

Thursday, October 22, 2026
6:30 PM

Attend

www.mass.gov/orgs/highway-division/events

Visit <https://www.mass.gov/orgs/highway-division/events> for more information or to view a recording of the presentation if you are unable to attend the meeting.
