

Route 28 at Chickatawbut Road Intersection Improvement Project Design Public Information Meeting

What is happening?

MassDOT is holding a live virtual Public Information Meeting. The purpose of this meeting is to provide the public with updates on the proposed Route 28 at Chickatawbut Road Intersection Improvements Project.

How will this affect you?

MassDOT proposes to redesign the Route 28 at Chickatawbut Road intersection to improve safety for all roadway users. MassDOT's proposed redesign will replace the current intersection with a roundabout. During this meeting, MassDOT will present the update to the proposed design, construction activities and schedule, traffic safety, improvements to bicycle and pedestrian connectivity, and impacts to the community. Meeting attendees will be provided with an opportunity to ask questions and make comments to the project team.
