

Intersection Improvements at Route 1 and Merrimac Street

Virtual Public Information Meeting

What is happening?

The purpose of this meeting is to provide the public with the opportunity to become fully acquainted with the proposed Intersection Improvements at Route 1 and Merrimac Street. Public comment and concerns are being solicited and will be reviewed and considered to the maximum extent possible.

How will this affect you?

The purpose of this project is for the installation of two traffic signal systems on Merrimac Street at the Route 1 on and off-ramps in Newburyport, MA. The project limits extend along Merrimac Street from Strong Street to Market Street and to Pleasant Street to the south. The Project shall improve the functionality of the Route 1 ramps at Merrimac Street by incorporating adequate sight distance, roadway micro resurfacing and restriping, inclusion of complete street elements including ADA accessibility, pedestrian curb ramps and bicycle accommodations, pavement markings and signage, and associated utility adjustments.
