

# Pedestrian and Bicycle Improvements on East Main Street (Route 2A) Virtual Public Information Meeting

## What is happening?

The purpose of this meeting is to provide the public with the opportunity to become fully acquainted with the proposed Pedestrian and Bicycle Improvements on East Main Street (Route 2A). Public comment and concerns are being solicited and will be reviewed and considered to the maximum extent possible.

## How will this affect you?

The project proposes to improve bicycle and pedestrian accommodations along Route 2A (East Main Street) in Orange, MA from Whitney Street to New Athol Road with minor roadway widening. The 1.0-mile-long project includes the addition of buffered bicycle lanes, shared use paths, sidewalk connections and intersection improvements at the intersection of East Main Street and New Athol Road and the two Walmart driveway intersections.
