

# Quincy Route 3A/Hancock Street Transportation Improvements Study Public Workshop & Site Walk

## What is happening?

MassDOT will hold a public workshop for the Quincy Route 3A/Hancock Street Transportation Improvements Study on Tuesday, May 14, 2024, at 6:00 p.m. at North Quincy High School. A site walk, presented in English, with local stakeholders led by MassDOT will precede the public workshop, with details to be posted on the study website. Translation services in Mandarin and Cantonese will be provided at the public workshop starting at 6:00 p.m.

At this meeting there will be an overview of the study and MassDOT will solicit feedback on opportunities and concerns in the corridor. For those wishing to bring children, a coloring station will be provided.

The Quincy Route 3A/Hancock Street Transportation Improvements Study is an effort to review existing transportation conditions at the northern Hancock Street section of Route 3A. MassDOT will evaluate congestion and gaps in the multimodal transportation network and work with stakeholders to develop recommendations for the future of travel on this corridor.
