

Public Informational Meeting (PIM) – 612634 Somerville/Cambridge – Bridge Replacement – Route 28 over MBTA

What is happening?

The purpose of this meeting is to provide the public with the opportunity to become fully acquainted with the proposed roadway reconstruction project. All views and comments submitted in response to the meeting will be reviewed and considered to the maximum extent possible.

How will this affect you?

The proposed project consists of replacement of the bridge (“Squire’s Bridge”) carrying McGrath Hwy (Route 28) over the MBTA railroad tracks in Somerville, MA. The project also includes roadway reconstruction of McGrath Hwy & O’Brien Hwy (Route 28) between Poplar Street in Somerville and Third Street in Cambridge. The proposed design will provide a single bridge span over the railroad and will provide a separate bridge span to the north passing over Somerville Ave Extension, which will be re-aligned to improve neighborhood connectivity. The project also includes accommodation for all roadway users, including improved pedestrian, bicycle, and transit facilities, as well as safety improvements and increased green space.

When

Tuesday, July 14, 2026
7:00-8:30 p.m., EDT

Attend

www.mass.gov/orgs/highway-division/events

Visit www.mass.gov/orgs/highway-division/events for more information or to view a recording of the presentation if you are unable to attend the meeting.

To ensure its meetings are accessible, MassDOT reasonably provides: translation, interpretation, modifications, accommodations, alternative formats, and auxiliary aids and services. To request such services, please contact MassDOT’s Chief Diversity and Civil Rights Officer at 857-368-8580 or MassDOT.CivilRights@dot.state.ma.us. For adequate time to process such request, please make them as early as possible, ideally 10 days prior to the event.

Project inquiries may also be emailed to MassDOTMajorProjects@dot.state.ma.us. Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: Major Projects, PROJECT FILE NO. 612634**
