

Springfield – Armory Street Over CSX Bridge Replacement Public Information Meeting

What is happening?

The Massachusetts Department of Transportation (MassDOT) is hosting a public information meeting to inform the public about the Armory Street Bridges Replacement project. MassDOT will provide an overview of the project including construction schedule and traffic and community impacts. All residents, local business owners, and interested commuters are invited to attend and will have the opportunity to ask questions after the presentation.

How will this affect you?

The project consists of demolition and reconstruction of two bridges that carry Armory Street over active and abandoned CSX railroad tracks. Improved and accessible bicycle and pedestrian facilities have been included in accordance with the required standards. Construction will be divided into phases. During all phases of construction, only one lane for southbound traffic will be maintained. There will be separate northbound detours for cars and trucks.

When

Tuesday, November 10, 2026
6:00 PM

Where

Naismith Basketball Hall of Fame
1000 Hall of Fame Ave,
Springfield, MA 01105
