

Route 6 Resurfacing, Wellfleet/Truro Public Information Meeting

What is happening?

MassDOT will host a public information meeting to provide community members the opportunity to become fully acquainted with the Route 6 Resurfacing project in Wellfleet and Truro, MA. All views and comments submitted in response to the meeting will be reviewed and considered to the maximum extent possible.

How will this affect you?

The purpose of this project is to resurface Route 6 in the towns of Truro and Wellfleet in order to improve roadway surface conditions, extend the utility of existing pavement structures, and improve roadway safety along the corridor. Other proposed improvements include construction of a sidewalk on the west side of Route 6 from the Truro Public Safety Facility to Shore Road, limited drainage upgrades, replacing or cleaning existing drainage outfalls, and updating existing substandard guardrail.
