

# Upton Route 140

## Public Informational Meeting

### What is happening?

A public informational meeting is being held as the final design progresses for the Route 140 improvement project in Upton, MA. The project extends along Route 140 from Williams Street to Brooks/Elm Streets.

### How will this affect you?

A roundabout is proposed at the intersection of Route 140 with Grove Street, Warren Street, and Church Street to improve safety and operations. A shared-use path for pedestrians and bicyclists is proposed in the vicinity of the roundabout. Sidewalks and buffered bicycle lanes are proposed throughout the remaining Route 140 project limits. Additional crosswalks will be installed with rectangular rapid flashing beacons for pedestrian safety.

### When

Wednesday, February 4, 2026  
6:00pm

### Where

Upton Community Center  
9 Milford Street  
Upton, MA 01568
