

Sumner Tunnel Restoration Project East Boston In-Person Open House

What is happening?

The Massachusetts Department of Transportation is hosting an in-person open house to update East Boston residents on the first of two full closures of the Sumner Tunnel. This will also be an opportunity for residents to ask questions for the project team. The first closure will take place from July 5, 2023 to August 31, 2023. The second closure will take place next summer from July 2024 to August 2024.

How will this affect you?

The open house will provide information on project goals, construction activities and travel options for the public during the closure. All residents, abutters, local business owners, and interested commuters are invited to attend. Open house attendees will have the opportunity to ask questions. This open house is an effort by MassDOT to accommodate everyone's schedules as best possible. Spanish and Arabic interpretation will be available.
