

I-90 Allston Multimodal Virtual Public Information Meeting

What is happening?

The purpose of this meeting is to provide an update on the I-90 Allston Multimodal Project. All views and comments submitted in response to the meeting will be reviewed and considered to the maximum extent possible. All residents, abutters, local business owners, and interested commuters are invited to attend.

How will this affect you?

The project will replace the Allston viaduct and associated highway interchange with a new realigned highway system and multimodal urban interchange. The project will improve livability and connectivity for residents of the Allston neighborhood, and enhance regional mobility.
