

# Cambridge Alewife Brook Parkway Superstructure Replacement

## What is happening?

A live virtual public information meeting will be hosted on the MassDOT website to present on the Alewife Brook Parkway Superstructure replacement in Cambridge. The project team will present on the need for the project, work to be performed, schedule, and impacts to road users including cyclists, pedestrians, and drivers. There will be an opportunity for public comment and questions following the presentation. All public comments will be considered to the maximum extent possible.

## How will this affect you?

This project impacts all road users traveling on the superstructure carrying traffic from the Alewife Brook Parkway, US Route 3, Route 16, and Route 2 over the MBTA Redline tunnel.
