

# Eliot Bridge Preservation Public Information Meeting

## What is happening?

The Massachusetts Department of Transportation is hosting a virtual public information meeting to discuss the construction process for the Eliot Bridge Preservation Project and its expected impacts on the nearby community. All residents, abutters, local business owners, and interested commuters are invited to attend. Meeting attendees will have the opportunity to ask questions and offer comments.

## How will this affect you?

The project is scheduled to begin in Summer of 2024 and will last approximately two years. The contractor will use staged construction to minimize impacts to travelers and river users. Lane shifts will be required for reconstruction of the median and sidewalks. On the bridge, two lanes of traffic in each direction will remain open during peak hours. Detours will be required for pedestrians, cyclists, and marine traffic.

### When

Monday June 24, 2024  
6:00 p.m.

### Where

[Mass.gov | Events](https://www.mass.gov/events)
