

Hatfield-Whately

massDOT Project No. 612506: Bridge Preservation, H-11-030, W-33-019, W-33-020, Routes 5 & 10 Over I-91 (Separate Crossings)

What is happening?

The Massachusetts Department of Transportation – Highway Division will be holding a Virtual Public Information Meeting (VPIM) regarding massDOT Project No. 612506, in Hatfield and Whately. This meeting will discuss the bridge preservation project, consisting of replacing the bridge decks on Bridge Nos. H-11-030, W-33-019, and W-33-020 (separate crossings) that carry Routes 5 and 10 over Interstate 91 in the towns of Hatfield (1 bridge) and Whately (2 bridges).

How will this affect you?

The construction sequencing will require lane reductions on the bridges/Routes 5 & 10 with temporary signals and alternating traffic flows as well as temporary overnight lane closures on I-91 below during bridge deck demolition and construction.

When

Thursday, July 9, 2026
6:00 P.M.

Attend

www.mass.gov/orgs/highway-division/events

Visit www.mass.gov/orgs/highway-division/events for more information or to view a recording of the presentation if you are unable to attend the meeting.

To ensure its meetings are accessible, MassDOT reasonably provides: translation, interpretation, modifications, accommodations, alternative formats, and auxiliary aids and services. To request such services, please contact MassDOT's Chief Diversity and Civil Rights Officer at 857-368-8580 or MassDOT.CivilRights@dot.state.ma.us. For adequate time to process such request, please make them as early as possible, ideally 10 days prior to the event.

Project inquiries may also be emailed to MassDOTMajorProjects@dot.state.ma.us. Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: Major Projects, PROJECT FILE NO. 612506**
