

# Holyoke - Corridor Improvements on High and Maple Streets

## What is happening?

The Massachusetts Department of Transportation (MassDOT) and the City of Holyoke are working on a project to implement safety and mobility improvements along High Street and Maple Street in Downtown Holyoke. The purpose of this meeting is to update the public on the status of the project. MassDOT and their team will present latest conceptual design options and then open the meeting up to listen to your feedback related to safety and mobility along these two important transportation corridors.

## How will this affect you?

The public is encouraged to attend this meeting to learn more about the project and provide feedback on the potential corridor design options that have been developed to date.

### When

TUESDAY JUNE 24, 2025  
5:30 PM

### Where

**HOLOKE PUBLIC LIBRARY**  
250 CHESTNUT STREET  
HOLYOKE, MA 01040
