

I-495/I-90 Interchange Improvements Project: 75% Design

Virtual Public Information Meeting, Fruit Street Bridge & Ramp ES/SE

What is happening?

The Massachusetts Department of Transportation (MassDOT) is advancing the I-495/I-90 Interchange Improvements Project and has scheduled a virtual Public Information Meeting on the 75% Design of the Fruit Street Bridge & Ramp ES/SE (I-90 EB to I-495 SB and I-495 SB to I-90 EB) improvements on January 25 at 6:00 PM. The meeting will begin with a presentation by the project team. Attendees can view plans for the Fruit Street Bridge & Ramp ES/SE and ask questions.

How will this affect you?

The purpose of the I-495/I-90 Interchange Improvements project is to provide a safe and efficient interchange of the interstate highways I-495 and I-90 while also alleviating traffic congestion. This interchange carries hundreds of thousands of vehicles per day between two of Massachusetts's most significant roadways. To find out more, join us or visit the project website: www.mass.gov/massdot/495-90interchange.

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance, please contact MassDOT's Chief Diversity and Civil Rights Officer by phone (857-368-8580), TTD/TTY at (857) 266-0603, fax (857) 368-0602 or by email (MassDOT.CivilRights@dot.state.ma.us). Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to: 495-90Improvements@state.ma.us
