

I-495/I-90 Interchange Improvements Virtual Public Information Meeting

What is happening?

Join us for our I-495/ I-90 Interchange project update. MasDOT will host a Virtual Public Information Meeting to provide an overview of I-495/I-90 Interchange Improvements Project including project timeline, traffic management, and design/construction information. Attendees will have the opportunity to ask questions and offer comments.

How will this affect you?

The purpose of the I-495/I-90 Interchange Improvements project is to provide a safe and efficient interchange of the interstate highways I-495 and I-90 while also alleviating traffic congestion. This interchange carries more than 175,000 vehicles per day between two of Massachusetts's most significant roadways. To find out more, join us or visit the project website: <https://www.mass.gov/i-495i-90-interchange-improvements>.
