

Somerville I-93 Viaduct Bridge Preservation Virtual Public Information Meeting

What is happening?

MassDOT is beginning the bridge preservation of I-93 in Somerville between Route 28 and Temple Street. The project will begin in June 2022 and provide many public benefits including:

- Extended lifespan of the bridge
- Less frequent repairs

How will this affect you?

All abutters and roadway users are invited to attend a virtual public information meeting to discuss the construction schedule, project impacts, and proposed detours that will begin in June 2022. A question and answer period will follow the presentation.
