

Medford Main Street Intersection Improvements Public Informational Meeting

What is happening?

A Live Virtual Public Informational Meeting will be hosted to present the design for the proposed Intersection Improvements at Main Street/South Street, Main Street/Mystic Valley Parkway (Route 16) Ramps, and Main Street/Mystic Avenue project in Medford, MA. The purpose of this meeting is to provide the public with the opportunity to become fully acquainted with the proposed Intersection Improvements at Main Street/South Street, Main Street/Mystic Valley Parkway Ramps, and Main Street/Mystic Avenue project. All views and comments submitted in response to the meeting will be reviewed and considered to the maximum extent possible.

How will this affect you?

The proposed project consists of intersection improvements on Main Street at South Street, Mystic Valley Parkway (Route 16) Ramps, and Mystic Avenue with traffic signals and signalized crosswalks. Main Street at Emerson Street will also be receiving a signalized crosswalk. Bicycle accommodations will be provided with a shared-use-path under the Mystic Valley Parkway overpass and continue with buffered bicycle lanes through the Mystic Avenue intersection. New ADA-compliant sidewalks and pedestrian ramps will be installed on both sides of Main Street.
