

Route 114 Corridor Improvements – North Andover Construction Phase Public Information Meeting #01

What is happening?

The Massachusetts Department of Transportation (MassDOT) will host an in-person Public Information Meeting to provide the public an update on the Route 114 Corridor Improvements. The meeting will be held at the Merrimack College Arcidi Center at 20 Rockridge Road in Andover, starting at 6:30 p.m. MassDOT will present the project background, introduce the project’s construction team, review the upcoming construction activities and schedule, and provide a public involvement overview. A presentation will be followed by a question-and-answer session and comment period. Public input will be considered to the maximum extent practicable, and the meeting will be recorded and posted online.

How will this affect you?

This project involves roadway safety, pedestrian, cyclist, and traffic signal improvements along the Route 114 corridor between Waverly Road and Willow/Mill Street in North Andover. The work includes the reconstruction of Route 114/Turnpike Street, and the replacement and addition of sidewalks, curb ramps, and shared-use paths, with connections to local streets, businesses, and Merrimack College. This project also includes improvements to roadway drainage, landscaping, hardscaping, and the relocation of utilities within the corridor. For more information and to reach the project team, please visit: <https://www.mass.gov/route-114-corridor-improvements-north-andover>
