

Revere – Bridge Replacement on Revere Beach Parkway over Broadway – Public Information Meeting

What is happening?

The purpose of this Public Information Meeting is to provide the public with the opportunity to become fully acquainted with the Bridge Replacement on Revere Beach Parkway (Route 16) over Broadway (Route 107) in Revere, MA. All views and comments made at the hearing will be reviewed and considered to the maximum extent possible. Interpretation for Spanish will be provided. Interpretation for Khmer will be provided upon request.

How will this affect you?

The purpose of this project is to improve public safety and maintain through-travel on Revere Beach Parkway (Route 16) and Broadway (Route 107) by replacing the bridge. Along with the bridge structure, the project includes roadway improvements on Route 107 below the bridge from the Revere/Chelsea city line (southern limit) to the intersection of Route 107 with Taft Street/Page Street (northern limit). This project will also include intersection improvements where the Route 16 on and off-ramps meet Route 107.
