

Route 79-Davol Street Corridor Improvements Public Information Meeting

What is happening?

A Live Virtual Public Informational Meeting has been scheduled on January 18 at 6:30 pm to present a project overview and design update. The meeting will begin with a presentation. Attendees can view plans of upcoming project work and updates in the design and ask questions of project team members. The public will have an opportunity to ask questions or make comments.

How will this affect you?

Davol Street and Route 79 run along the Taunton Riverfront in Fall River. MassDOT is redesigning the mile long corridor to improve mobility, connectivity, and safety along and across Route 79 and Davol Street. The corridor will be transformed into a multi-modal urban boulevard, connecting the neighborhoods to the Taunton River while promoting economic growth by creating new development parcels to contribute to economic development.
