

# PUBLIC INFORMATION MEETING

## Route 20 Corridor Improvements

## Shrewsbury, MA

### What is happening?

A live virtual public meeting will be hosted on the MassDOT website to present the preferred design alternative for the Route 20 Corridor Improvement project in Shrewsbury, MA.

### How will this affect you?

The proposed project between Route 9 and the South Street/Green Street intersection consists of the addition of an eastbound travel lane, left-turn lanes, two roundabouts and a median separating Route 20 eastbound and westbound directions between the two roundabouts. The project will also address the lack of multi-modal transportation options with the addition of sidewalks and shared use paths in the project area.

### When

Wednesday, September 14<sup>th</sup>, 2022  
6:30 PM to 7:30 PM
