

Signal and Intersection Improvements

McGrath Highway (Rte 28) at Mystic Avenue (Rte 38)

Virtual Public Informational Meeting

What is happening?

MassDOT is proposing to reconstruct the intersection of McGrath Highway (Route 28) and Mystic Avenue (Route 38) and make improvements to address safety concerns. The purpose of this Public Informational Meeting is to provide the public with the opportunity to become fully acquainted with the intersection improvements in Somerville, MA. All views and comments made at this informational meeting will be reviewed and considered to the maximum extent possible.

How will this affect you?

The intersection reconstruction and related improvements will improve safety for all roadway users. Some roadway restrictions will be required during construction but access to all properties will be maintained. Attendees will have the opportunity to ask questions and offer comments.
