

BRIDGE REPLACEMENT OF CRANBERRY HIGHWAY (ROUTE 28/Route 6) / MILL POND DAM OVER AGAWAM RIVER – WAREHAM, MA

What is happening?

A Live Virtual Design Public Information Meeting will be hosted on the MassDOT website for the reconstruction of Mill Pond Dam located at Cranberry Highway (Route 28/Route 6) over the Agawam River in Wareham, MA.

How will this affect you?

The proposed project is anticipated to be constructed in multiple phases over 3 to 4 years. For most of the duration of construction, two lanes of vehicular traffic will be maintained, except for two phases which will have one lane for vehicular traffic from the fall through winter. Pedestrian access will be maintained and all local businesses within or near the project area will remain open and accessible during construction.
