- Please take time to respond to our survey! Your feedback is important.

### Notice of MassDOT's policy on diversity and civil rights:

• All MassDOT activities, including public meetings, are free of discrimination.

 MassDOT complies with all federal and state civil rights requirements preventing discrimination based on sex, race, color, ancestry, national origin (limited English proficiency), religion, creed, gender, sexual orientation, gender identity or expression, or veteran's status.

 We welcome the diversity from across our entire service area. If you have any questions or concerns, please visit <u>https://www.mass.gov/nondiscrimination-in-transportation-program</u> to reach the Office of Diversity and Civil Rights.

> Thank you for joining our meeting. We appreciate your participation.

## **Sumner Tunnel Project**

**Contractor:** JF White, Framingham, MA

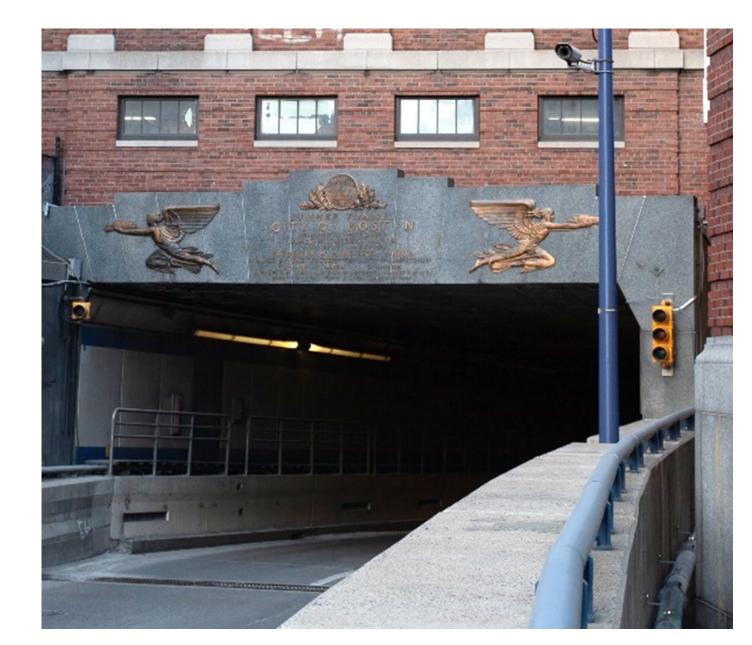

**Project Type:** Design-Build

**Project Cost:** \$136M + Ancillary Expenses

Bid Date: 6/26/2021

**Completion of Major Construction:** 9/1/2024

**Projected Contract Completion Date:** December, 2024

## **Project Scope**

- Remove and replace the tunnel ceiling and repair overhead arch
- Demolish and replace the tunnel deck and roadway surface
- Repair tunnel walls and install painted fireproof panels
- Install new LED lights inside tunnel
- Upgrade CCTV and fire alarm systems
- Install new utility conduits and cables under the bridge deck
- Environmental resiliency new vent buildings and pumps will reduce air pollution and improve storm preparedness

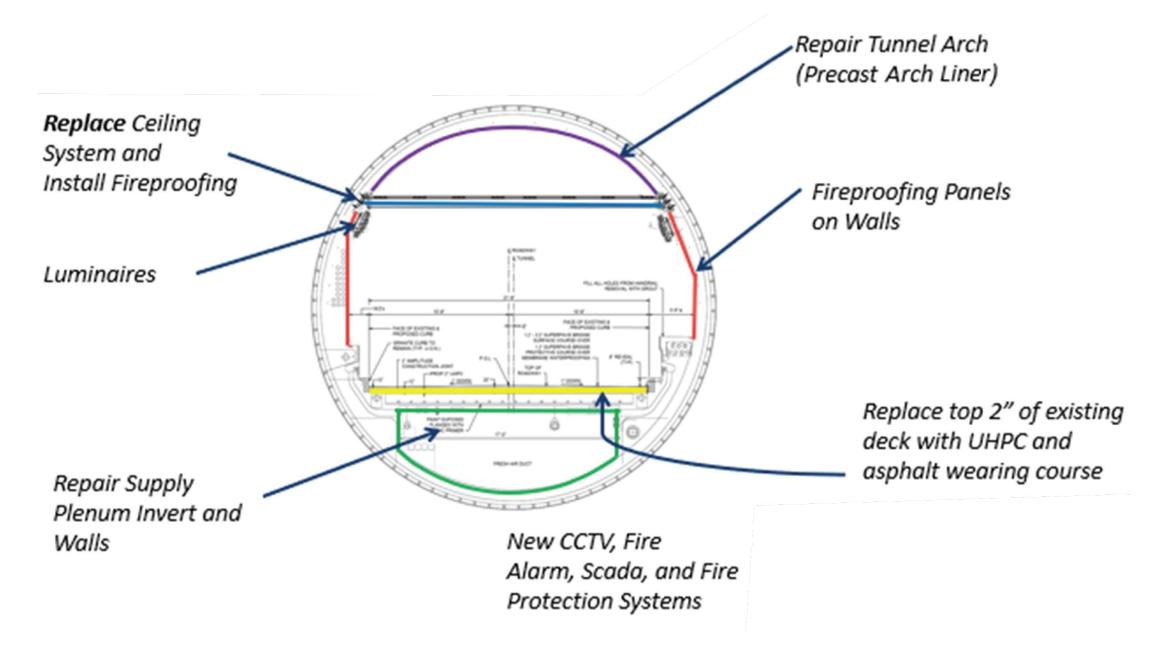

## **Sumner Tunnel Project**

# **Innovations During Construction**

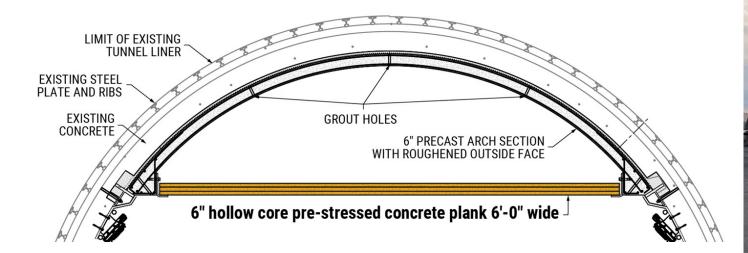

#### **Before Demolition**

## **Accelerated Construction**

- Steel reinforcements for strength and fiber reinforcement for performance
- Grouted interlock between existing and proposed arch to protect existing arch from oxygen/contaminants
- Fire resistant main arch, hung plate provides additional fire protection

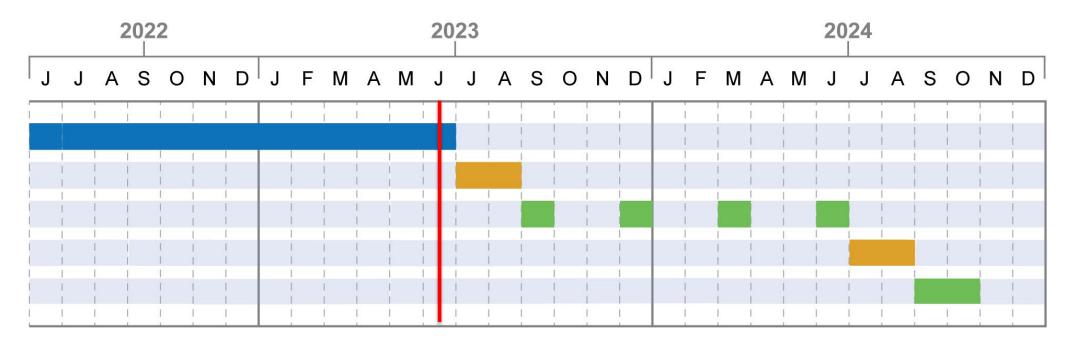

## **Tunnel Shutdown Schedule**

# **Managing Impacts**

### **Contract Protections**

- Isolated intersection improvements Signal phasing and timing changes, turn restrictions, lane utilization/lane changes
- Disposal of runoff and materials offside
- Field Monitoring Units dust, water, noise, pest control, etc.
- Real Time Traffic Information
- Incentives/Disincentives for Design-Build team to ensure compliance with contract timelines

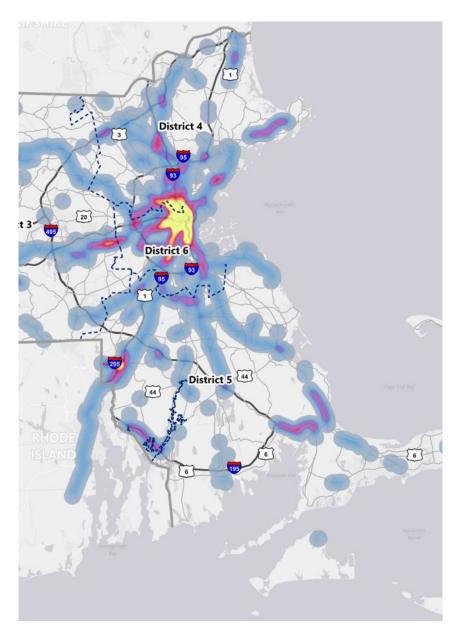

# **Coordination with Adjacent Projects**

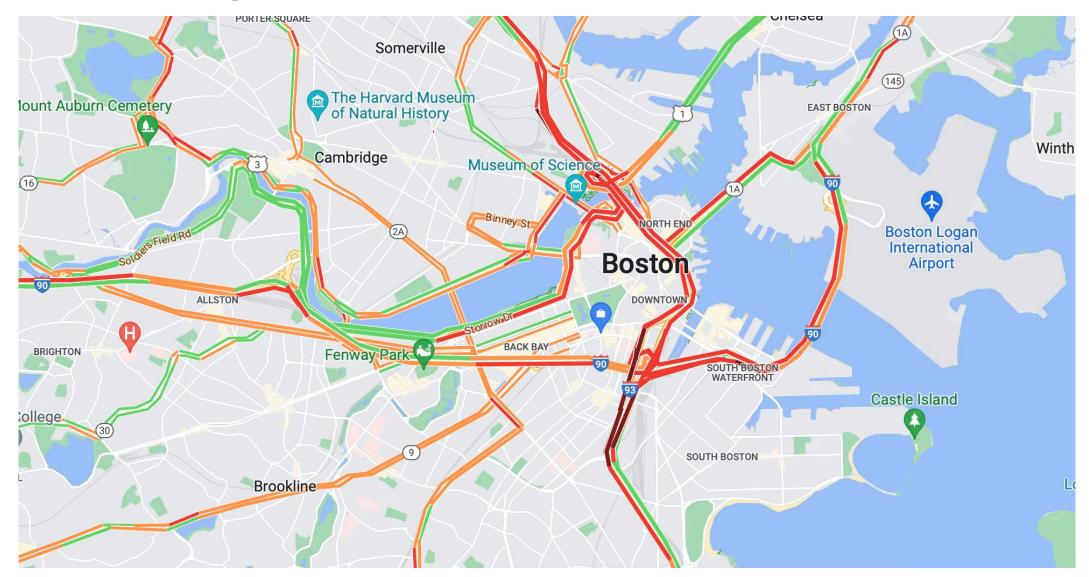

- MassDOT has coordinated work with all major capital programs
- MassDOT has accelerated necessary maintenance activities in the area, including the Ted Williams (I-90) and Tip O'Neill (I-93) tunnels
- Where possible, work is being suspended on nearby projects
- Maintenance activity is being limited to emergency work and scheduled for off hours
- Existing traffic configurations for fixed work zones have been incorporated into the management plan
- Command Center will be set up for full closure

## You will be impacted

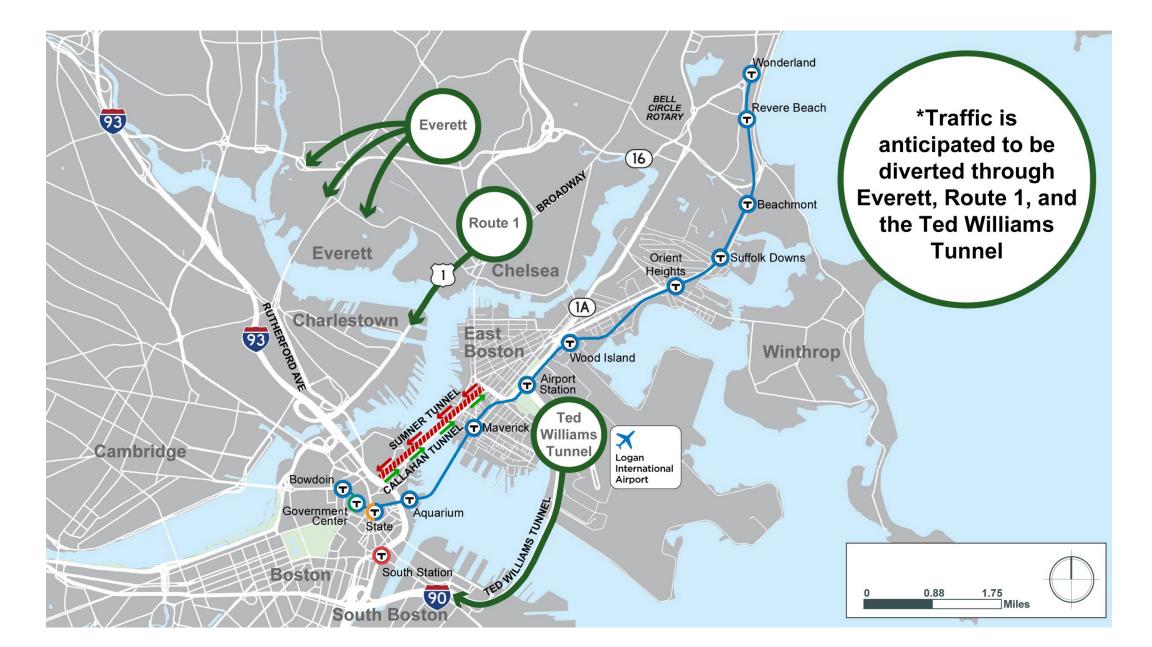

Regardless of where you are travelling from impacts should be expected approaching the city

### **Traffic Diversions**

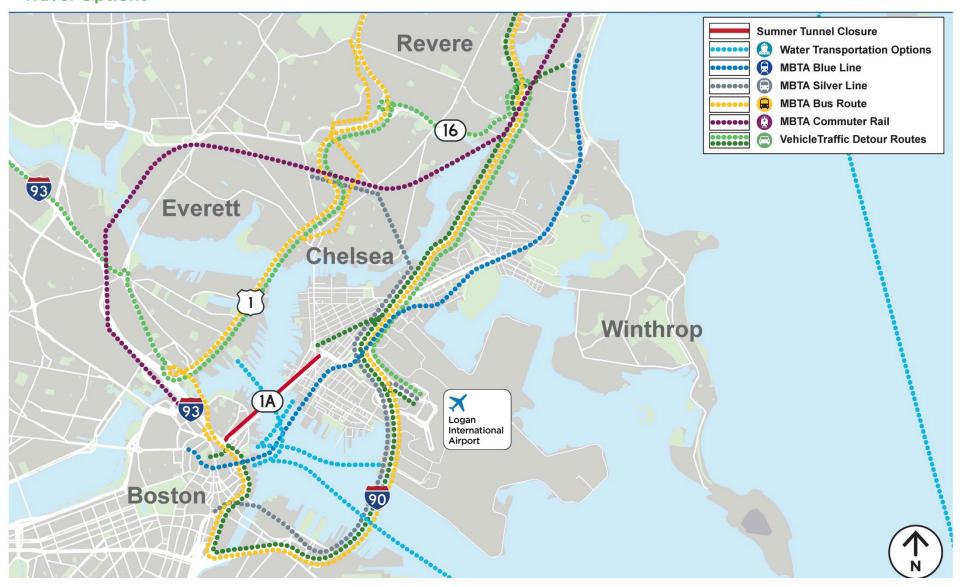

## **Travel options during shutdown**

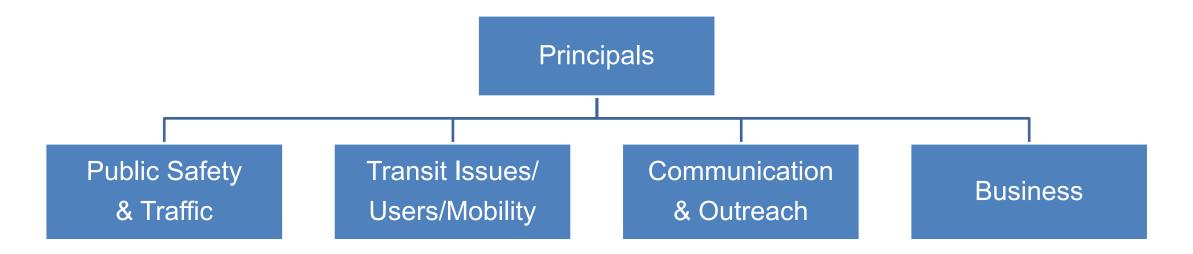

Handhatte Department of Transportation

SUMNER TUNNEL RESTORATION PROJECT Travel Options

# **Mitigation Working Group Structure**

Working Group Mission:

- Leave no stone unturned
- Review project impacts and current mitigation strategies
- Identify additional solutions and strategies to reduce impacts for all modes
- Limitations on proposals that involve changes to the scope of work timing, duration, approach to construction, etc.
- Categorize strategies into low-cost easily implemented and those that require additional coordination, funding, and third-party assistance

# Managing Impacts, Public Safety

Police, Fire, EMS

- MassDOT Red Book Tunnel emergency management system for safety officials developed by MassDOT in partnership with federal officials and public safety officials updated on an annual basis.
- Sumner Tunnel Contingency Plan Scenario planning document to ensure that an action plan is in place should things go wrong.
- Increased ambulatory service Adding extra ambulances and 5 shifts with ongoing monitoring of response time metrics and adjusting as needed during construction.

#### Sumner Tunnel Restoration Project

# **Managing Impacts**

- Fare Free Blue Line service during full closure
- Discounted parking at Blue Line lots \$2 daily parking
- Trains approximately every 6 min during rush hours
- Zone 1A fares for the Rockport/Newburyport CR line
