

I-90 Allston Viaduct Repairs Project Public Information Meeting

What is happening?

The existing I-90 Allston Viaduct, which carries the Massachusetts Turnpike (I-90) over the Massachusetts Bay Transportation Authority (MBTA) commuter rail's Worcester Line and through the Allston/Brighton area needs repairs to ensure the safe movement of traffic as MassDOT completes design and permitting for the larger, I-90 Allston Multimodal Project.

How will this affect you?

A virtual public information meeting will be hosted on the MassDOT website below to present the design for the proposed I-90 Allston Viaduct Repairs Project. All views and comments submitted in response to the meeting will be reviewed and considered to the maximum extent possible.

When

Wednesday September 14, 2022
6:00 p.m.

Attend

[Events](#) | [Mass.gov](#)

Please note this meeting will be recorded and transcribed by a stenographer.
Visit www.mass.gov/orgs/highway-division/events for more information.

This meeting is accessible to people with disabilities and those with limited English proficiency. MassDOT provides reasonable accommodations and/or language assistance free of charge upon request, as appropriate. To request accommodation or language assistance please contact MassDOT's Chief Diversity & Civil Rights Officer by phone 857-368-8580, fax 857-368-0602, relay 7-1-1, or by email MASSDOT.CivilRights@dot.state.ma.us. Requests should be made as soon as possible prior to the meeting, and for more difficult to arrange services including sign-language, CART or language translation or interpretation, requests should be made at least ten business days before the meeting.

Project inquiries may also be emailed to Dot.feedback.highway@state.ma.us

Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavalley, P.E., Acting Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: PROJECT MANAGEMENT, PROJECT FILE NO. 612231**
