

## I-495/I-90 Interchange Improvements Project: Design of I-495 and Ramp WN Virtual Public Information Meeting

### What is happening?

The Massachusetts Department of Transportation (MassDOT) is advancing the I-495/I-90 Interchange Improvements Project and has scheduled a virtual Public Information Meeting on the Design for I-495 & Ramp WN (the ramp from I-90 westbound to I-495 northbound) on April 26 at 6:00 PM. The meeting will begin with a presentation by the project team. Attendees can view plans for I-495 and Ramp WN, as well as ask questions.

### How will this affect you?

The purpose of the I-495/I-90 Interchange Improvements project is to provide a safe and efficient interchange of the interstate highways I-495 and I-90 while also alleviating traffic congestion. This interchange carries hundreds of thousands of vehicles per day between two of Massachusetts's most significant roadways. To find out more, join us or visit the project website: [www.mass.gov/massdot/495-90interchange](http://www.mass.gov/massdot/495-90interchange).

### When

Wednesday,  
April 26, 2023  
at 6:00 PM

### Attend

To ensure its meetings are accessible, MassDOT reasonably provides: translation, interpretation, modifications, accommodations, alternative formats, and auxiliary aids and services. To request such services, please contact MassDOT's Chief Diversity and Civil Rights Officer at 857-368-8580 or [MassDOT.CivilRights@dot.state.ma.us](mailto:MassDOT.CivilRights@dot.state.ma.us). For adequate time to process such request, please make them as early as possible, ideally 10-15 days prior to the event.

Project inquiries may also be emailed to [DOTHighwayDesign@dot.state.ma.us](mailto:DOTHighwayDesign@dot.state.ma.us)

Please submit any written statements regarding the proposed undertaking to: **Carrie A. Lavalley, P.E., Chief Engineer, MassDOT, 10 Park Plaza, Boston, MA 02116, Attention: HIGHWAY DESIGN, PROJECT FILE NO. 607977**
