Dear Chairwoman Spilka, Chairman Dempsey, and Secretary Lepore,

Section 142 of Chapter 68 of the Acts of 2011 requires that the executive office of health and human services report to the senate and house committees on ways and means and the executive office for administration and finance the amount of money recovered from recipients, providers or other vendors who fraudulently received benefits or payments under chapter 118E of the General Laws.

Program integrity is one of the highest priorities of the Baker Administration, and helps further our mission to ensure that the MassHealth program is sustainable and that we obtain appropriate value for our medical spending.

Attached is our report for Fiscal Year 2015. I know you share our interest in ensuring the accuracy and appropriateness of all of our expenditures, and I will be very happy to discuss our efforts with you in greater detail.

I am grateful for your continued support of the MassHealth program. Please feel free to contact John May at 617-573-1763 should you have any questions about this report.

Sincerely,

Daniel Tsai  
Assistant Secretary for MassHealth
