

One Care: Implementation Council Meeting

Executive Office of Health & Human Services

MassHealth Demonstration
to Integrate Care for Dual Eligibles

Tuesday, December 11, 2018, 10:00 AM – 12:00 PM

Department of Public Health

250 Washington Street, Boston, MA, 2nd Floor

Implementation Council Proposals for One Care

MassHealth appreciates the range of ideas from the Council to continue to improve One Care, and the well-run discussion with CMS on November 26, 2018. We share the Council's commitment to making sure One Care continues to bring innovation and a person-centered focus to improving the lives of its enrollees.

Topics for further discussion:

■ Disparities and Health/Wellness Equity –

- How to better identify, report on, and address disparities through One Care, and confirm enrollee goals are driving their care planning process
- Seek recommendations for outcome measures for integration, access, reducing disparities, and supporting community connection for enrollees

Implementation Council Proposals for One Care (cont.)

■ **Personal Assistance Services: Cueing and Monitoring**

- Required service in the current One Care three-way contract; we want to ensure enrollees can access it and will be following up on this issue

■ **Additional Input from Council –**

These may be good focus areas for the Council to consider in its Work Plan next year.

- Women's health issues
- Health and wellness for members with SUD or mental health needs
- Disparities among people of color and with varying disabilities
- Community connections and driving outcomes
