

MassHealth-Approved Vendor List (2/3/2026)

MassHealth works closely with a large number of software vendors and clearinghouses/billing intermediaries that support our providers. The vendor list below provides the names, phone numbers, transaction types, and services of vendors that have been approved by MassHealth for electronic submission of HIPAA compliant transactions. The list also indicates if the vendor supports coordination of benefits (COB) claims and Void/Replace transactions, which are key to reducing the need to submit paper claims, and identifies those entities that support Minimum Data Set for long term care services. This list was created not for endorsement purposes, but to assist providers in identifying vendors who support HIPAA-compliant claim transactions for MassHealth. Providers wishing to submit 837-Dental transactions should contact **DentaQuest MassHealth's Dental Program**.
