

Request for Proposals (RFP)**Active Core Fixed Income Investment Manager for the Massachusetts Port Authority Employees' Retirement System**

The Board of the Massachusetts Port Authority Employees' Retirement System (MPAERS) is requesting proposals from interested firms for active core fixed income management. The MPAERS is seeking to identify a manager to manage an approximately \$190 million core fixed income mandate benchmarked to the Bloomberg U.S. Aggregate Index. Presently the System has assets approximating \$829 million. The RFP can be downloaded at
