**Together, we make good
happen for Massachusetts.**

Your local electric and natural gas utilities and energy efficiency service provider are taking strides in energy efficiency: Berkshire Gas, Cape Light Compact, Eversource, Liberty Utilities, National Grid and Unitil.

As one, we form Mass Save®, with the common goal of helping residents and businesses across Massachusetts save money and energy, leading our state to a clean and energy efficient future.

From Energy Efficiency to Decarbonization

- Current energy efficiency plan offers incentives to electrify homes and businesses
- Offering prescriptive and custom heat pump incentives

The Mass Save Program
Administrators are committed to supporting the Commonwealth's decarbonization goals.

Wastewater Energy Recovery (“WWER”) is an exciting electrification solution

Displaces Fossil
Fuels

Aligned with a shift
toward a cleaner
electrical grid

Path to reducing
GHG emissions

- Program sponsors will consider WWER as a custom measure - *incentives for eligible projects will be based on installed cost and savings*

Incentive Process

1. Contact Mass Save*
2. Technical Study
3. Incentive Pre-approval
4. Construction
5. Inspection
6. Incentive Payment

* The fuel being displaced determines Mass Save Sponsor

- If displacing natural gas: contact your Gas Sponsor
- If displacing oil, propane, or electric resistance: contact your Electric Sponsor

Technical Studies

- 1. Scoping Study:**
 - High-level project assessment based on estimated costs and savings
 - Mass Save covers fee
- 2. Technical Assistance Study:**
 - Detailed study sometimes requested for custom projects
 - Customer cost share required
