Docket No. DEP-05-1476  
File No. 285-1308  
Shrewsbury

**FINAL DECISION-ORDER OF DISMISSAL**

This matter concerns an appeal by John Grenier of J. M. Grenier Associates of a superseding order of conditions issued by the Department of Environmental Protection under M.G.L. c. 131, §40, the Wetlands Protection Act. The petitioner filed a motion to dismiss, which is unopposed.

The petitioner submits that this matter is now moot and should be dismissed. According to the petitioner, it revised the project and filed another permit application. The Shrewsbury Conservation Commission denied the revised project. The DEP, however, issued a superseding order of conditions allowing it. That superseding order of conditions is now final.

Accordingly, this appeal is **DISMISSED** as moot. *Matter of Howland*, Docket No. 99-113, Final Decision – Order of Dismissal (January 5, 2005). The superseding order of conditions appealed from is vacated.

**Reconsideration and Appeal**

The parties to this proceeding are notified of their right to file a Motion for Reconsideration of this Decision. Such a motion must be filed with the Docket Clerk and served on all parties

within seven business days of the postmark date of this Decision. Any party may appeal this Decision to the Superior Court pursuant to M.G.L. c.30A, §14(1). The complaint must be filed in the Court within thirty days of receipt of this Decision.
