We appreciate your support of the McAuley Nazareth Home for Boys by the placement of a student from your town in our program. As you are aware, our specialized school environment provides educational, therapeutic and health care services to children and youth with complex and severe multiple disabilities. The complex needs of our students continue to intensify each school year. Consequently, we need to change the configuration of our services to meet these needs. We are planning to use the Department of Elementary and Secondary Education's Program Review of our program, during the current school year, to initiate the needed programmatic additions through the Program Reconstruction process.

We anticipate a new authorized annual Residential Education Program price of \$208,592.02 and an annual Day Program tuition price of \$72,507.40. We are seeking the increase effective July 1, 2023. This modest increase will enhance our service delivery to better meet the needs of our students.

Thank you for your continued support and please contact me if you should have any questions.

Sincerely,

Kim Pare  
Executive Director
