

TRANSFORM YOUR WORLD

Call for Presentations

This summer, the community college and workforce partners engaged in the *Transformation Agenda* will gather to celebrate and reflect on our collective success. Through our efforts to build innovative, accelerated programs, we have met and exceeded our ambitious goals around student success, retention and attainment:

- 151 degree and certificate programs have been developed or redesigned
- 5,891 students enrolled in TA programs
- Over 65% of TA students received innovative supports
- Completion rates are over 84%
- 70% of TA students entered employment
- New systems of college/Career Center collaboration & employer engagement

Your commitment to this transformation further demonstrates the power of MA community colleges and their partners to serve as engines of opportunity and prosperity for citizens across Massachusetts.

We invite you to join your colleagues from community colleges, ABE programs, CBOs, One-Stop Career Centers, industry and other partners to present at our statewide *Summer Gathering*

Best Western Royal Plaza, Marlborough MA
Wednesday, August 20, 2014
8:30 – 3:30

With an eye to the future, this all day event will highlight faculty work, products created, partnerships forged, system changes and other scalable results of the Transformation Agenda.

Topics may include:

- New Curriculum
- Acceleration Designs
- Overcoming barriers to transformation
- Job Placement strategies
- Reports from Industry Teams
- Employer engagement strategies

Format:

- Sessions will be approximately 1 hour
- Approximately 30 people per session
- Handouts encouraged
- Leave ample time for discussion and Q & A

Highlight your organization's successful transformations.

Email your concept for a presentation to Deborah Zulick dzulick@qcc.mass.edu

Deadline to submit is June 20, 2014

Faculty compensation may be available. See your college's Program Manager for information.
