

Third St and Rufo Rd

December 2025

Draft for conceptual review. Designer's advance notice: this design is preliminary and conceptual despite the hard-line finished style produced by the software program used. Line work does not exactly correspond to the aerial photograph due to the distortion of the orthographic photogrammetry.

Proposed Design

Somerville Ave and Medford St

December 2025

Draft for conceptual review. Designer's advance notice: this design is preliminary and conceptual despite the hard-line finished style produced by the software program used. Line work does not exactly correspond to the aerial photograph due to the distortion of the orthographic photogrammetry.

Washington St

December 2025
