Planning Efforts

Planning Efforts: Fiscal Year 2025 Budget Authorization

1. DCAMM offering **wastewater plant** to town within 30 days
(occurred 8/28/2024)
2. Substantial **stakeholder engagement**
 - 3+ public hearings
 - Ongoing public engagement via various forums
 - Extensive list of consulted parties
3. DCAMM Commissioner filing **planning report** with legislature
 - Summary of existing conditions & plans
 - Recap of public input
 - Potential future uses
4. Site disposition for redevelopment via **competitive disposition process**

Planning Efforts: Redevelopment Planning

- Existing Conditions Review
- Visioning
- Physical Planning
 - Planning context
 - Site planning principles/guidelines
 - Assessment of uses/intensity of use
 - Zoning analysis
- Real Estate Market Assessment
- In coordination with the ongoing planning process, DCAMM anticipates the **Town of Concord will lead any zoning updates** for MCI-Concord site which will set the **guidelines for future development**.

Extensive community and stakeholder engagement, in collaboration with Town

Planning Efforts: Engagement Overview

- DCAMM is coordinating with the Town of Concord public engagement process which will take **more than a year**
- Tonight is the first of a minimum of three formal Public Hearings on the redevelopment of MCI-Concord
- Other engagement opportunities:
 - MCI-Concord Advisory Board bi-weekly meetings
 - Additional public conversations to be scheduled
 - Survey forthcoming
 - Public input to Town leading up to prospective zoning updates, which would require approval at Town Meeting

Public Comment (1 hour)

**MCI-Concord Redevelopment
Public Hearing & Information
Session: Questionnaire**

Zoom Meeting Controls
