Programs**

UPCOMING WEBINAR

MDAR will be hosting a free one-hour webinar on available funding opportunities for farmers for Fiscal Year 2024 (July 1, 2023 – June 30th, 2024). Staff will cover the Ag Food Safety Improvement Program (AFSIP), the Climate Smart for Agriculture Program (CSAP), and the Viability Programs including the Farm Viability Enhancement Program (FVEP), the Matching Enterprise Grant for Agriculture (MEGA), and the APR Improvement Program (AIP). There will be an additional 30 minutes provided for a Q&A.

Learn when the upcoming grants will be available, eligibility requirements, project examples, and tips for how to apply.
