(b) This Renewal License is granted under and in compliance with the Cable Act and M.G.L.c. 166A, and in compliance with all rules and regulations of the FCC and the Cable Division in force and effect during the period for which this Renewal License is granted.

(c) Subject to the terms and conditions herein, the Issuing Authority hereby grants to Licensee the right to construct, upgrade, install, operate and maintain a Cable Television System within the Public Way.

SECTION 2.2 - TERM: NON-EXCLUSIVITY

This non-exclusive Renewal License term shall be for a period of ten (10) years, commencing on May 1, 2015 through midnight April 30, 2025.

SECTION 2.3 - RENEWAL

(a) In accordance with the provisions of federal law, M.G.L. c. 166A, § 13 and applicable regulations, this Renewal License shall be subject to additional renewals for the periods not to exceed ten (10) years or such other periods as allowed by law.

(b) In accordance with applicable law, any such renewal or renewals shall be upon mutual written agreement by Licensee and the Issuing Authority and shall contain such terms as Licensee and the Issuing Authority may then agree.

SECTION 2.4 - RESERVATION OF AUTHORITY

Nothing in this Renewal License shall (a) abrogate the right of the Issuing Authority to perform any public works or public improvements of any description; (b) be construed as a waiver of any codes, regulations or bylaws of general applicability and not specific to the Cable Television System, Licensee, or this License; or (c) be construed as a waiver or release of the rights of the Issuing Authority in and to the Public Ways. Any conflict between the terms of this Renewal License and any present or future exercise of the Town's police and regulatory powers shall be resolved by a court of appropriate jurisdiction.

SECTION 2.5 - NON-EXCLUSIVITY OF LICENSE

(a) This Renewal License shall not affect the right of the Issuing Authority to grant to any other Person a license or right to occupy or use the Public Ways, or portions thereof, for the construction, upgrade, installation, operation or maintenance of a Cable Television System within the Town; or the right of the Issuing Authority to permit the use of the Public Ways and places of the Town for any purpose(s) whatsoever. The Licensee hereby acknowledges the Issuing Authority's right to make such grants and permit such uses at its sole discretion.

(b) The grant of any additional cable television license(s) shall be at the sole discretion of the Issuing Authority, subject to this Section 2.5(e) below.

Along with said written request, the Licensee

shall provide the Issuing Authority with written reasons for its belief. At the public hearing, the Issuing Authority shall afford the Licensee an opportunity to demonstrate that any such additional cable television license(s) are on terms more favorable or less burdensome than those contained in this Renewal License. The Licensee shall provide the Issuing Authority with such financial or other relevant information as is requested.

(ii) Should the Licensee demonstrate that any such additional cable television license(s) have been granted on terms and conditions more favorable or less burdensome than those contained in this Renewal License, the Issuing Authority shall negotiate, in good faith, equitable amendments to this Renewal License within a reasonable time.

(c) The issuance of additional license(s) shall be subject to applicable federal law(s), and M.G.L. Chapter 166A and applicable regulations promulgated thereunder.

(d) In the event an application for a new cable television license is filed with the Issuing Authority, proposing to serve the Town, in whole or in part, the Issuing Authority shall serve a copy of such application upon the Licensee by certified mail or via nationally recognized overnight courier services within a reasonable time thereafter.

(e) In the event that the Licensee believes that in the future another Licensee which has been granted a cable television license in the Town, has been provided relief by the Issuing Authority from a material obligation(s) of its license, which may include amendments to the license, that causes said other cable television license to be more favorable or less burdensome than this Renewal License, the Licensee may request, in writing, that the Issuing Authority convene a public hearing on that issue. Along with said written request, the Licensee shall provide the Issuing Authority with written reasons for its belief. The Licensee shall provide the Issuing Authority with such financial or other relevant information as is requested. At the public hearing, the Issuing Authority shall afford the Licensee an opportunity to demonstrate that such relief causes said other cable license to be more favorable or less burdensome than this Renewal License. Should the Licensee demonstrate that any such relief causes said other cable television

license to be more favorable or less burdensome than the Renewal License, the Issuing Authority shall consider and negotiate, in good faith, equitable amendments to this Renewal License.

SECTION 2.6 – POLICE AND REGULATORY POWERS

By executing this Renewal License, the Licensee acknowledges that its rights are subject to the powers of the Town and its right to adopt and enforce generally applicable bylaws in the lawful exercise of its police powers to the extent permitted by applicable law, with respect to the safety and welfare of the public. The Licensee shall comply with all applicable federal and State laws and regulation, and Town bylaws and lawful regulations, provided such Town bylaws and regulations are not specific to this License, the Licensee and/or Cable System. Any conflict between the terms of this Renewal License and any present or future lawful exercise of the Town's police and regulatory powers shall be resolved in a court of competent jurisdiction. Nothing in this Section 2.6 shall be deemed to prohibit the right of the Licensee to challenge the legality of a Town bylaw or regulation.

SECTION 2.7 – REMOVAL OR ABANDONMENT

Upon termination of this Renewal License by passage of time or otherwise, unless (1) the Licensee has its license renewed for another term or (2) the ownership of the Cable Television System is transferred to another Person with written approval by the Issuing Authority in accordance with applicable law and pursuant to Section 2.8 below or (3) unless otherwise operating under the terms of this Renewal License as allowed by applicable law, the Licensee shall remove all of its supporting structures, poles, transmission and distribution systems, and other appurtenances from the Public Ways and shall restore the areas to their original condition as is reasonably possible and as soon as reasonably possible. If such removal is not complete within six (6) months of such termination, the Issuing Authority may deem any

property not removed as having been abandoned. Upon written request of the Licensee, the Issuing Authority may waive this requirement for good cause shown.

SECTION 2.8 – TRANSFER OF THE RENEWAL LICENSE

(a) Pursuant to M.G.L. c. 166A, Section 7, as may be amended from time to time, neither the Renewal License, nor control thereof, shall be transferred, assigned or disposed of in any manner, voluntarily or involuntarily, directly or indirectly, or by transfer of control of any Person, company and/or other entity holding such Renewal License to any other Person, company and/or other entity, without the prior written consent of the Issuing Authority, which consent shall not be arbitrarily or unreasonably withheld. Such consent shall be given only after a public hearing upon a written application therefore on forms as may be prescribed by the FCC and/or the Cable Division. An application for consent to a transfer or assignment, if required, shall be signed by the Licensee and by the proposed transferee or assignee or by their representatives, evidence of whose authority shall be submitted with the application. A transfer or assignment of a license or control thereof between commonly controlled entities, between affiliated companies, or between parent and subsidiary corporations, shall not constitute a transfer or assignment of a license or control thereof under this Renewal License, unless otherwise provided by applicable federal or state law. An “affiliated company” is any Person or entity who owns or controls, is owned or controlled by, or is under common ownership or control with, such Person or entity.

(b) Pursuant to applicable state and federal law, as may be amended, in considering a request to transfer control of the Renewal License, the Issuing Authority shall consider the transferee's financial capability, management experience, technical expertise and legal ability to operate a Cable System under the existing license and may consider any other criteria allowable under applicable law or regulation.

(c) The consent or approval of the Issuing Authority to any assignment or transfer of the Renewal License granted to the Licensee shall not constitute a waiver or release of the rights of

the Town in and to the streets and Public Ways or any other rights of the Town under the Renewal License, and any such transfer shall, by its terms, be expressly subordinate to the terms and conditions of the Renewal License.

(d) The Licensee shall submit to the Issuing Authority an original and one (1) copy, unless otherwise required by applicable law, of the application and FCC Form 394 requesting such transfer or assignment consent.

(e) The consent of the Issuing Authority shall be given only after a public hearing to consider the written application for transfer. Unless otherwise allowed by applicable law(s), the Issuing Authority shall make a decision on said written application within one hundred and twenty (120) days of receipt of said application. After 120 days, the application shall be deemed approved, unless said 120 day period is extended in writing by mutual agreement of the parties pursuant to applicable law.

(f) Any proposed controlling or owning Person or transferee approved by the Issuing Authority shall be subject to all of the terms and conditions contained in the Renewal License.

SECTION 2.9 – EFFECT OF UNAUTHORIZED TRANSFER ACTION

(a) Any transfer of the Cable System without the Licensee and the transferee complying with Section 2.8 above shall be null and void, and shall be deemed a material breach of this Renewal License.

(b) If the Issuing Authority denies its consent to any such action and a transfer has nevertheless been effected, the Issuing Authority may revoke and terminate this Renewal License, unless such transfer is otherwise allowable by applicable law.

(c) The grant or waiver of any one or more of such consents shall not render unnecessary any subsequent consent or consents, nor shall the grant of any such consent constitute a waiver of any other rights of the Town.
