¹ Information reported by HMOs as of the end of the first quarter of 2017 based upon the Massachusetts Division of Insurance's "Guidelines for Reporting Membership & Utilization Statistics - Version 6.1" that instructs HMOs to exclude members for whom the HMO did not bear any financial risk.

² Starting with the first quarter of 2017, carriers are no longer submitting data for this report directly to the Division. Instead, the first quarter 2017 data shown in this report was produced by the Center for Health Information and Analysis using data submissions by the HMOs to the All-Payer Claims Database. As a result, comparing membership from the fourth quarter of 2016 to the first quarter of 2017 may not be appropriate, as the data is taken from separate sources.

³ Includes all members enrolled in the HMO in which reimbursement is provided pursuant to Title XIX of the Federal Social Security Act as defined in the Massachusetts Division of Insurance's "Guidelines for Reporting Membership & Utilization Statistics - Version 6.1."

⁴ Carriers that do not have any "Medicaid" business are not reflected on this report.

⁵ Effective July 1, 2010 Health New England, Inc. began enrolling Medicaid members.

⁶ Doing business as Tufts Associated Health Plan ("TAHMO") and as Tufts Health Plan (THP).
