Dear Medicare Beneficiary,

This email is to inform you that you may be eligible for Medicare Savings Programs (MSPs). MassHealth runs MSPs, which can help pay some or all of your Medicare costs.

As of March 1, 2024, there is no asset limit for eligibility. This means that MassHealth will not ask you about your assets, such as home ownership or savings, when you apply.

If you are **on Medicare and have income at or below the levels listed below, you are eligible for an MSP and could save thousands of dollars a year.**

You are:	Your income is at or below:
Single Individual	\$2,824 per month
Married Couple	\$3,833 per month

Apply Today!

By Phone: To request an application or to learn more, call the MassHealth Customer Service Center at (800) 841-2900, TDD/TTY: 711

MassHealth representatives are available Monday through Friday, 8:00 a.m. – 5:00 p.m.
