Citizenship Affirmation	I am a U.S. Citizen
Residency Affirmation	I am a resident of the Commonwealth of Massachusetts
Statement of Intent	I intend to comply with and advance the policy established by this Act.
Statement of Interest	<p>I am a high school history teacher in Quincy, Massachusetts. Most importantly, I teach U.S. Government &amp; Politics. I understand our U.S. Constitution, and I understand the unrelenting abuse of power of corporations in our elections. Money should not control our elections and our politicians. Just yesterday I completed by 2018 taxes. The recent \$5-trillion dollar tax relief did not offer me -a middle class citizen of our state and nation- any relief. In fact, said tax relief cost me an additional \$3,600! With two daughters in college (spending \$80,000 each year), I am ever so reminded of the power of corporations in our government. Who is speaking for me - the middle class? Let politicians focus on serving all of their constituents and not those paying to elect candidates who will be loyal to the money in politics, and not their constituents. Of course, in teaching the U.S. Constitution, how wonderful would it be for my local students to have their teacher as a member of the movement to bring about the Twenty-Eighth Amendment! Thank you for all that you do! Thank you for your time. I am sure whoever you choose to serve will be a fine representative to forward the people's voice in taking money out of elections!</p>
